Winter Reminders

One winter guarantee is that more snow is always on the way! To assist our staff in providing consistent snow removal service this winter, we ask you to:

- Make sure your mailbox can withstand the discharge of snow from plows
- Keep your mailbox area accessible for the mail carrier
- Do not blow or plow snow from your property across or into the street. This is a violation of City code

Also, please remember that our staff are not always able to complete all of the maintenance activities within 24 hours. Sometimes, weather conditions are beyond our control and require extra time. Our Winter Maintenance Policy is available on the City’s website. This policy outlines details on how winter maintenance operations are provided to the public.
